

# Broadband

Halff professionals provide interdisciplinary technology solutions through a broad range of services from 31 locations in Arkansas, Florida, Louisiana, Oklahoma and Texas. Halff is ranked #85 in Engineering News-Record magazine's list of the top 500 design firms in the United States. The firm was founded in Dallas in 1950 by Albert H. Halff, PhD-Eng., PE. Today, Halff preserves Dr. Halff's legacy of integrity, dedication to client service, and commitment to quality.

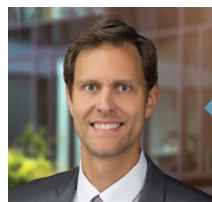

## The Halff Advantage

- Be available and immediately responsive.
- Understand the regulatory and permitting requirements associated with the project.
- Listen to and understand your objectives, goals and constraints.
- Provide varying options for each design problem to enable selection of solutions which best fit your needs.

## Our Solutions

Energy	Placemaking
Environmental	Technology
Mobility	Water

Broadband Practice Leader
